YOUR PEACE OF MIND

As an award-winning developer with a reputation for quality and customer satisfaction, we have a host of reassuring measures in place to protect you now and in the future.

ABOUT YOUR NEW HOMES WARRANTY

Your New Home Warranty ensures that when you purchase a home from Anderson, you can be confident it has been constructed to the highest of standards.

All our homes are built to National House-Building Council (NHBC) standards - the technical benchmark for newly-built homes. The standards provide guidance on every part of the building process, from foundations to decoration, and include tolerances, performance and technical standards. To find out more visit Technical Standards on the NHBC website.

On legal completion of your new home, the first two years of the warranty are covered by Anderson and supported by the Customer Service Team who can assist and provide advice on any issues or queries that may arise within this timeframe.

PROTECTION FOR THE FUTURE

Your home is covered by the NHBC Warranty (Buildmark) against structural defects for a 10-year period and 2 year warranty on the fixtures and fittings, following the date of legal completion. Should anything happen to your new home that is a result of a build failure – such as a leak, crack or infrastructure problem – it will be taken care of.

Further information can be found on the ‘What Does Buildmark Cover?’ section on the NHBC website. Your interests are additionally covered by the Consumer Code for Home Builders, which we adhere to. The Consumer Code applies to all home buyers who reserve to buy a new or newly converted home built by a home builder, under the protection of one of the supporting Home Warranty bodies.

Under the Consumer Code, buyers can be assured they will be treated fairly and given reliable and accurate information on their buying decision, amongst other things. Details of the Consumer Code will be discussed with you at reservation stage.
